COMMENTS FROM THE COMMUNITY

The hearing of the public may last for thirty minutes with each person having five minutes to speak on a school related issue at this time but the chair may limit the remarks pursuant to the debate regulations in *Robert's Rules of Order*.

Persons wishing to speak should rise. When recognized by the Board President, the individual recognized will be asked to first state their name and address so that the Board may respond in writing to questions or concerns presented. The individual may then make a statement to the Board. The accepted protocol is to address the Board President as "Madam or Mister President."

School patrons are reminded when addressing the Board, statements about school employees, students, or parents must be accurate and that all remarks made at a public board meeting are subject to the libel and slander laws of the State of Ohio.

Patrons wishing to meet privately with the school board are asked to contact the Superintendent prior to the board meeting so that the agenda may be adjusted and a time can be arranged.
