News & Information midview12.org/midviewhighschool/athletics

BOYS TENNIS, Spring Season 2010

The Boys Tennis Team sign-up sheet will be posted in the high school's main office the first week of February. Our pre-season meeting will be held in the APR February 25 after school. Try-outs will be held the week of March 8 (weather permitting) after school as well. Try-outs will consist of matchplay, a written test and endurance run. *You must have a current physical, emergency med. form and insurance waiver on file before you can try out. All forms can be found online at www.midviewk12.org/midviewhighschool/athletics.*

By the way, If you're new to the game of tennis and would like to read up on how to keep score, basic tennis skills, etc.....get online! Go to www.midviewk12.org/midviewhighschool/athletics/springsports/boystennis or www.USTA.com. You can find tons of tennis related info at either site. **And for all of you returning tennis lettermen,** go to www.USTA.com for many useful tips and tricks and video instruction to rev up your tennis game!

pssst...they have INDOOR COURTS!

Happy New Year!

Indoor Tennis... Closer Than You Think

Dave Dukeman (former MHS tennis coach for both boys and girls) has been busy at work completing the first indoor tennis court in Grafton. The project has been under construction since October of '08 and looks to be completed by next Spring. The indoor court will be a private facility but we hope to offer small clinics and lessons for the Grafton community by next Fall.

**Thank you Mr. Maver
for your dedication &
we welcome our
new Athletic Director,
Mr. Hughes!**

Remember to Thank THE GEYSERS...

Patrick Geyster, current junior and member of the MHS Boys Varsity Tennis Team, built a shed to house all of our tennis gear this past September! We would like to thank Pat and the Geyster family for all of their hard work, effort and time in providing the tennis program with this much needed addition. **THANK YOU!!**

GO MHS winter sports!

If you have info that you'd like to share
