## Girls Tennis, Fall Season 2009

The MHS Girls Varsity Tennis Team celebrated their season accomplishments Monday, November 2 at the Fall Sports Banquet. Each member of the Varsity team earned a "Most Improved Team" award. Members of the team include: Ashley Taylor - senior, Cassie Nix - senior, Michaela Evanish - senior, Alicia Freeman - sophomore, Hannah Baumgartner - freshmen, and Morgan Saylor - freshmen. Ashley Taylor received our team's WSC Scholar Athlete medallion. Cassie Nix and Michaela Evanish were awarded our team's WSC Honorable Mention certificates and Alicia Freeman earned the WSC Sportsmanship plaque.

BR: Alicia Freeman, Michaela Evanish

Congratulations girls and we wish the senior class the best of luck!

## Remember to Thank THE GEYSERS...

Patrick Geyser, current junior and member of the MHS Boys Varsity Tennis Team, built a shed to house all of our tennis gear this past September! We would like to thank Pat and the Geyser family for all of their hard work, effort and time in providing the tennis program with this much needed addition. **THANK YOU!!**

## Truck Raffle Completed!

The prize winners for the Wildfire 650 Truck Raffle have been announced and contacted. We raised enough funds to award 4 cash prizes. The truck raffle did convert to a 50/50 format.

The **Midview Tennis Program** would like to thank the **community and local businesses** for all of their support!!

## BOYS TENNIS, Spring Season 2010

The Boys Tennis Team sign-up sheet will be posted in the high school's main office the first week of February. Our pre-season meeting will be held in the APR February 25 after school. Try-outs will be held the week of March 8 (weather permitting) after school as well. You must have a current physical, emergency med. form and insurance waiver on file before you can try out. All forms can be found online at [www.midviewk12.org/midviewhighschool/athletics](http://www.midviewk12.org/midviewhighschool/athletics).

## Indoor Tennis... Closer Than You Think

Dave Dukeman (former MHS tennis coach for both boys and girls) has been busy at work completing the first indoor tennis court in Grafton. The project has been under construction since October of '08 and looks to be completed by next Spring. The indoor court will be a private facility but we hope to offer small clinics and lessons for the Grafton community by next Fall.

## Join Us December 3!

As most of you are aware - the Midview tennis program's printed materials are courtesy of Elyria Print & Copy. EP&C is owned and operated by Sonny Dukeman who has been coaching for 20+ years now out at Midview.

Join us Thursday, December 3 from 5-7pm at the LCCC Spitzer Conference Center where we will be participating in the 8th Annual Zero Proof Mix-off Event! This fun-filled family event is a great way to kick off the holiday season. Not only can you come out and taste some great new nonalcoholic drink recipes but you can cast your vote as well for the best one! Open to the public, NO admission fee.
