READ CAREFULLY

Due to the length of time required for completion of the records check, it may occasionally be necessary to employ a person prior to the Board of Education having received the results of the criminal records investigation. In these cases, the Board of Education shall rely on the applicant information provided in the employment application. However, by signing this document I specifically agree that if I am employed by the Board of Education prior to its receipt of a response from BCI, my employment shall be contingent upon subsequent receipt by the Board of Education of a report from BCI which is not inconsistent with my answer to the above question. In the event I have been employed prior to the Board of Education having received a report from BCI, and a subsequent report from BCI is received which is inconsistent with my answer to the above question, I specifically agree that the action of the Board of Education employing me shall be void without any further act by either party, and that my employment will terminate immediately without the necessity of proceedings to formally terminate my contract of employment.
