Mrs. Beers Shares Message of Love with MHS Seniors

Mrs. Beers made her annual visit to Midview High School on the Friday before prom, to share her inspirational message of love with our seniors. Mrs. Beers' message is uniquely "Midview" in flavor, steering away from the usual prom warning with crashed cars burning on the front lawn. Instead, Mrs. Beers shares the story of how she met and fell in love with her husband, and the trials they endured together as Mr. Beers succumbed to a crippling illness and passed away. She

reminds our students of the power of love, and of their power to help one another by caring for their classmates. [Learn more](#)

Sixteen French Exchange Students Hosted at MHS

This year, Midview High School hosted 16 students this from Lyon, France. They arrived March 26th and left April 9th. Our students learned many things about the French culture and language through this experience, including "modern day" skills such as popular French slang and French text messaging translations. French III used "I Spy" books to identify all the possible vocabulary words they could with the help of their Exchange correspondent. Midview Middle School hosted a dance for our middle school and high school French students, during which they held a traditional American Easter egg hunt before dancing to the latest International music.
