**Educational Excellence Through Community Involvement**

### **What is the Midview Educational Endowment Fund?**

The Midview Educational Endowment Fund is a community-based trust which receives contributions from many members of the Midview community, including your neighbors and friends, Midview families and employees, small groups, organizations, and local businesses.

Each year, these resources are then allocated to worthwhile educational programs in the Midview Schools, offering enrichment activities beyond the basic programs offered in the classroom.

Contributions may be designated towards the following areas:

- Academics
- Performing and Fine Arts
- Athletics
- Scholarships
- General

**Academic M** is one of the many Midview programs that receives funding through the Midview Educational Endowment Fund. This annual awards banquet honors students who have maintained a 3.5 GPA or above for the first six semesters of their high school career. The evening also provides an opportunity for the students to recognize a teacher who encouraged their academic achievement.

## Your Gift Makes a Difference!

Endowments are a partnership between donors and their favorite charity and/or institution—a partnership based on the idea of mutual support.

### However, for the students of the Midview Schools, endowment means so much more.

By supporting the Midview Educational Endowment Fund, you participate in providing enrichment activities for Midview students. And by using the income generated, the Midview Educational Endowment Fund fulfills its mission by improving the quality of education among the youth of the Midview District.

The Midview Educational Endowment Fund is a single pool of resources set up to receive financial gifts. The principal of the Fund remains intact and earns interest. That interest is used by the Midview Educational Endowment Fund to meet its mission and goals. Since the principal remains from year to year, and grows as people contribute to the Fund, the Midview Endowment Fund has a secure financial base from which to realize its vision. **All contributions are tax deductible.**

The Fund provides a means through which community resources can be allocated for worthwhile educational programs. The Fund will offer enrichment activities beyond the basic program provided by the school.

### How to Contribute

Contributions to the Midview Educational Endowment Fund can be made in several ways, the most common of which is the outright gift. Many individuals, due to their particular circumstances, choose to make donations in other ways. A listing of the most usual methods of contributing includes:

- **Outright Gifts**—Cash or other assets such as securities, real estate, art works or other personal property.
- **Deferred Gifts**—Bequests, gift annuities, life insurance or charitable remainder trusts.
- **Incremental Gifts**—Gifts contributed in planned stages over a specified period of time.

Any gift can be made in memory of a deceased friend, relative or educator, or in honor of a living person or institution. **To make your contribution today, please use the form at right.**
