## Midview Local School District

The Midview Schools are located on a central campus that includes three new elementary schools that opened in 2005 to serve grades K-6, Midview Middle School for grades 7-8, (a new middle school will open in 2012) and Midview High School, which has been rated Excellent by the State the last three years, serving grades 9-12. Academically, the Midview Schools are proud to be a leading district in Lorain County reaching 22 of Ohio's 26 statewide assessment indicators with a performance index of 96.8. The Midview District's designation is Effective. Our experienced, dedicated staff focuses on providing students with a foundation in the basic skills, while offering a wealth of complementary programs and courses that encourage individual academic success and personal growth.

Transportation is provided to students in grades K-8.

### Our Community

The Midview Local School District is the educational center to several communities including the Village of Grafton, the rural areas of Carlisle, Eaton and Grafton Townships, and the southern portion of the City of Elyria. Our location offers all of the special comforts of small-town living, with the convenience and ease of accessibility to downtown Cleveland and all the arts, sports, and shopping north-east Ohio has to offer.

In addition to the wonderful housing opportunities in our area, Midview takes pride in its plentiful parks, green space, and working farms. The breadth of our community benefits our district through its special make-up of students, parents, community members, organizations, and businesses who share resources and engage in dialogue to further improve the quality of life in our area.

Is Seeking Qualified  
Applicants for the  
Position of  
**Treasurer**

### Tentative Time Schedule

**Announce Vacancy: January 10, 2012**  
**Application Deadline: February 10, 2012**  
**Action to Employ: April 25, 2012**

## **THE SEARCH**

The Midview Local School District Board of Education is seeking qualified applicants for the position of Treasurer. The Board seeks a licensed school treasurer to fill the vacancy created by Mr. Floyd Parsson who will be retiring on July 31, 2012.

## **QUALIFICATIONS**

The Midview Local School District Board of Education has identified the following qualifications as having particular importance for the position of Treasurer.

- A valid Ohio School Treasurer License and experience either as a Treasurer or Assistant Treasurer
- A comprehensive understanding of Ohio school law, finance and regulations, governmental GAAP accounting and reporting
- Self-starting skills with a positive team attitude

- Keen business management skills in the areas of long-range planning, fiscal forecasting, investing, personnel management, collective bargaining and insurance management
- Excellent analytical, listening, verbal and written skills, and the ability to frankly, yet diplomatically, convey pertinent information to the Board, Superintendent, Staff and Community
- The skill and ability to work effectively with the Board and Superintendent to serve as a contributing member of the entire management team
- Strong multi-tasking skills, with the ability to organize and synthesize information efficiently
- Ability to work with the district administrators in continuation of program-based budgets
- Ability to utilize technology effectively to ensure timely reports as well as communication with the public
- Personal integrity, as well as a record of being loyal, positive, enthusiastic, organized and hard working
- Thorough knowledge of and successful experience in sound fiscal management practices

## **MISSION STATEMENT**

*The mission of the Midview Local School District is to prepare all children to be successful and productive citizens in the 21st Century. This includes educating our students to read with comprehension, write with meaning and clarity, compute accurately and efficiently, conduct scientific inquiry, seek creative expression and appreciation of the arts, pursue health and wellness, think and reason coherently and manage and use information and technology to solve relevant problems.*
