Gifted Students**

2008 Ohio Summer Honors Institutes

The Ohio Summer Honors Institutes are academic summer programs for **current 9th and 10th grade gifted students** funded by the Ohio Department of Education. The program's purpose is to provide in-depth study of challenging topics, to provide opportunities for exploring education and career options, and to provide opportunities for interaction with gifted peers.

Summer Honors Institutes are hosted by Ohio colleges and universities. **Tuition is free for eligible students.** However, Summer Honors Institutes that offer a residential option may charge residential students a fee to cover the costs of breakfast, dinner, residence hall rooms, evening activities and overnight supervision. Most Ohio Summer Honors Institutes provide a **limited number of residential scholarships** to cover the cost of food and housing for economically disadvantaged students.

Eligibility

To be eligible to attend an Ohio Summer Honors Institute, a student must:

- Reside in Ohio;
- Be enrolled in the 9th or 10th grade during the 2007-2008 school year;
- Be identified as gifted by an Ohio school district or be able to document that he or she meets Ohio gifted identification criteria described in Ohio Administrative Code 3301-51-15.

There may be additional eligibility requirements for participation in specific courses or programs. For detailed information regarding eligibility requirements for a specific Ohio Summer Honors Institute, visit the institute's website or contact the institute director. Space in Ohio Summer Honors Institutes is limited.

What are the Ohio Summer Honors Institutes? The Ohio Summer Honors Institutes are academic programs for Ohio gifted students during the summers following their 9th and 10th grade school years. A variety of Summer Honors Institutes are offered each year, and are operated by public and private Ohio colleges and universities with grant funds provided by ODE.

Can a student attend more than one Ohio Summer Honors Institute? Yes, assuming the dates of the Institutes do not overlap. Students may apply to attend more than one session at the same college or university, or to attend institutes hosted by different colleges and universities.

How much does it cost to participate in an Ohio Summer Honors Institute?

Tuition and lunch are provided by O.D.E. Summer Honors Institutes that offer residential options may charge students for the cost of housing, breakfast, dinner, and evening supervision. Transportation costs and spending money are the responsibility of the student. Many Summer Honors Institutes offer financial aid to economically disadvantaged students to cover part or all of the cost of room and board.

Where can I find more information about Ohio Summer Honors Institutes, including course offerings? Each Ohio Summer Honors Institute maintains a website with detailed program information, including program dates, course offerings, and Institute contact information. Links to individual Ohio Summer Honors Institute websites are available from O.D.E.'s gifted education webpage.

I have questions about a specific Ohio Summer Honors Institute. Who should I contact? Contact the individual listed on the institute's website.

(SEE BACK FOR LIST OF 2008 OHIO SUMMER HONORS INSTITUTE SITES AND O.D.E. WEB ADDRESS)
